## Overview

/ THE 2<sup>ND</sup> INTERNATIONAL FETAL CARDIOLOGY SYMPOSIUM

We are delighted to welcome you to **"The 11th International Pediatric Conference"** organized by *KidsHeart Medical Center In-Affiliation-With New York Presbyterian Kids/Morgan Stanley Children's Hospital, and Columbia University Medical Center.*

Over the course of **three days**, renowned speakers from Columbia University Medical Center, will join *twenty international speakers* from all over the world, and *sixty eight local speakers*, to collaborate and discuss case simulations in general pediatric and pediatric subspecialties. **"Case Scenarios in Pediatrics, and Pediatric Cardiology"**, the theme of the conference, will deliver **twenty four** interactive lectures, **nine workshops** in twenty pediatric specialties. In addition to **two** new *Symposiums: First Mental Health symposium in Children, and Second Fetal Echocardiography Symposium.*

The Conference will highlight the mission and tradition of KidsHeart Medical Center, a pillar in pediatric specialty care in the UAE. Through its branches in Abu Dhabi and Dubai, and with the support of its sister facility The Heart Medical Center in Al Ain, we aim to deliver a high quality of care to our patients.

We are particularly proud to collaborate, for the past 9 years, with our affiliate hospital, New York Presbyterian Kids/Morgan Stanley Children's Hospital, as well as with Columbia University College of Medicine and Surgeons, one of the oldest and most-prestigious -medical schools in the world. Through its hospitals in New York, and its joint programs with KidsHeart Medical Center, Columbia aims to bring its exceptional medical care, education, and research to the UAE.

Welcome to our 11th International Pediatric Conference, held in the beautiful city of Dubai. We hope to build bridges for collaboration and sharing of knowledge. With your active participation, we are confident the conference will be rich and successful.
